 - Do not wish to provide

REFERENCES

In your application packet, please include an abridged resume and a letter of reference from your principal or supervisor documenting your professional qualifications for the workshop. The letter should indicate that the administrator will support efforts to integrate Great Lakes/ocean science topics into the curriculum as these topics apply to state science standards.

PERSONAL STATEMENT & SUPPORTING DOCUMENTATION

Describe why you feel this program would benefit you as a professional. Include your understanding of the Great Lakes' importance, as well as your experience with teaching science and your experiences with data use and technology in the class. Describe your experiences integrating curriculum areas in instruction and studying oceans and the Great Lakes. Characterize your use of the Internet in your teaching practice. Please limit your response to two typed pages.

AGREEMENT

I have reviewed the requirements and description of the Lake Michigan Exploration Workshop offered by COSEE Great Lakes. I certify that the information provided in my application is true to the best of knowledge.

Signature of Applicant
