

COSEE GREAT LAKES LAKE SUPERIOR WORKSHOP APPLICATION

Shipboard and Shoreline Science - R/V Lake Guardian - July 20-27, 2011

INSTRUCTIONS FOR COMPLETING THE APPLICATION

To complete this application you will need to gather together some information, including the following:

- Home contact information
- School contact information, including FAX and phone
- Your fields of certification and years of experience
- Subjects and grade levels you are currently teaching
- School demographics, including ave # students/class, % English as Second Language, and % Free/ Reduced Lunch
- School population diversity percentages

You will need to write a personal statement that can be submitted along with this online application or sent separately. Guidelines for personal statement: Describe why you think that this program would benefit you as a professional and how you plan to share what you learn afterwards. Include your previous understanding of the Great Lakes, your experience teaching related topics, and your experience using data, technology, and the Internet in teaching. Describe how you have integrated curriculum topics into instruction and how you have integrated ocean and Great Lakes science into your teaching.

You will need a letter of recommendation that can be submitted along with this online application or sent separately. Guidelines for letter of recommendation: The letter of recommendation should be from your principal or another administrator in your school, district, or informal education institution who is familiar with your teaching and previous participation in professional development and leadership.

REMEMBER TO KEEP A COPY OF ALL YOUR APPLICATION MATERIALS!!! To do this, you should print each application page as you progress using your web browser's printing option. Before clicking the [Next] and [Done] buttons, you can print the current page of answers. You should be able to exit and re-enter the application, as long as you use the same computer.

Good luck. DON'T FORGET, this is due on May 15, 2011.
